

ReceptAI

BRAND BOOK

ReceptAI

"Your business no longer misses
a single client — AI receptionist
works 24/7."

ReceptAI is a turnkey AI receptionist service specializing in voice agents, Telegram bots, and CRM integrations for small service-based businesses. It helps salons, clinics, and gyms eliminate missed calls and automate appointment scheduling through cost-effective, 24/7 AI solutions.

MISSION

We replace the human receptionist with intelligent
AI — so every call is answered, every client is served.

How We Speak

"Confident, but not arrogant.
Friendly, but not informal.
Simple, but not primitive."

AESTHETIC TONE

- Structured modernism
- Clinical precision
- Digital minimalism
- Utilitarian sophistication
- Functional clarity

□ HOW WE SPEAK

- Short and to the point
- Concrete numbers and examples
- Client language, not tech jargon
- Understanding the client's pain
- Confident, no pressure

"Your business no longer
misses a single call. 24/7."

□ HOW WE DON'T SPEAK

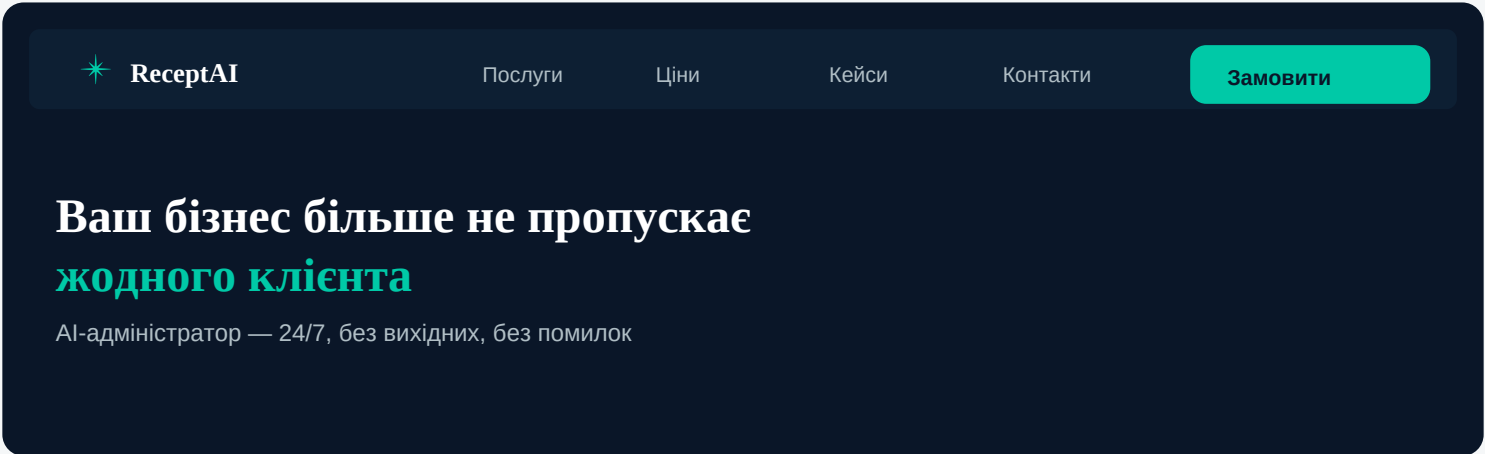

- Complex tech terms without context
- Exaggerated promises
- Overly formal and dry
- Pressure and manipulation

"Our innovative AI solution based on
neural algorithms optimizes workflows..."

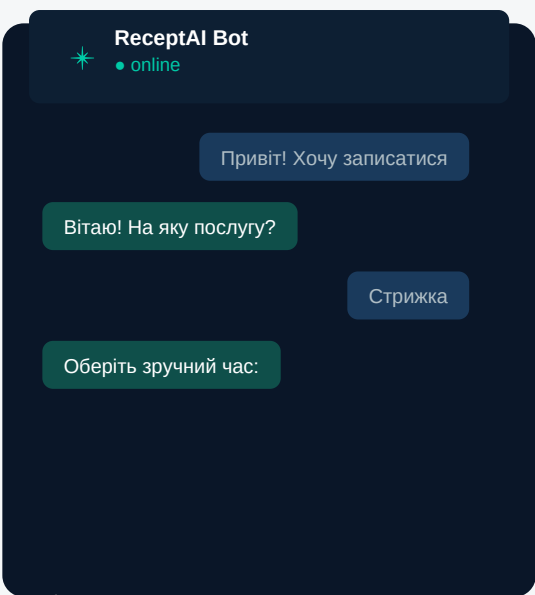

TONE BY CONTEXT

- | | | | |
|-------------------------------------|---|---|-----------------------------------|
| Website
Persuasive + Calm | Advertising
Energetic + Provocative | Client comms
Warm + Business-like | Support
Calm + Decisive |
|-------------------------------------|---|---|-----------------------------------|
